## Short Description

## Business Ethics case study

## Description

### CASE STUDY

**An experienced and knowledgeable Indian tourist guide suggested to a foreign tourist whom he was guiding that it would better to give up the program of going around the places in the city and instead visit a plush five star hotel whose nightclub featured a good cabaret. The guide, further, said that he would explain his life story which could give a clear picture of poverty in India.**

**Answer the following question.**

**Q1. Explain the unethical issues in this case.**

**Q2. Give an overview of the case**

**Details**

**1. Case study solved answers**

**2. pdf/word**

**3. Fully Solved with answers**
