Weight: 0.00kg

Price: Rs500

Short Description

INDIAN AIRLINES HR PROBLEMS

Description

INDIAN AIRLINES HR PROBLEMS

QUESTIONS

Q1. Analyze the developments in the Indian civil aviation industry after the sector was opened up for the private players. Evaluate IA's performance. Why do you think IA failed to retain its market share against competitors like Jet Airways?

Q2. IA's human resource problems can largely be attributed to its poor human resource management policies. Do you agree? Give reasons to support your stand?
